Hankyu Hanshin Express Service

We provide a supply chain that guarantees advanced transportation quality and safety in pharmaceutical logistics.

CEIV Pharma Certification
(Kansai International Airport • Narita International Airport)

EMBALL'ISO

Founded in 1990. Head office located in Lyon, France. EMBALL'ISO has been helping pharmaceutical laboratories, clinical trial operators, logistics companies and « last mile specialists » to manage and control cold chain risks for more than 30 years.

Shipping Process (e.g.)

Narita Global Logistics Center (NGLC)

A bonded warehouse on the first floor and a dedicated logistics center on the second floor meet diverse needs. As an international logistics hub that integrates international freight, logistics, and domestic freight and delivery, the facility provides seamless integrated transportation services. (NGLC is out of range as CEIV Pharma at Narita Airport.)
